MULTI

design Alberto Basaglia e Natalia Rota Nodari

Sedia e sgabello, ma anche panca, poliedrica nelle forme e nei colori. Il telaio è realizzato in filo d'acciaio, design leggero ma carattere solido. Seduta e schienale in polipropilene stampato ad iniezione con trattamento anti UV, garantisce per sempre i suoi colori vivaci. Gli accessori che la completano, e la possibilità di aggiungere i pannelli tappezzati la rendono ancora più funzionale ed accattivante.

Multiple forms and colours of chairs, stools and benches. The frame is in wired steel with a light design but solid. Seat and backrest in polypropylene with anti-UV ray treatment which is a guarantee to maintain the colours lively. The accessories which are present and the possibility to add upholstered panels permit it to be even more functional and attractive.

Chaise et tabouret, mais aussi poutre, diversification dans les formes et les coloris. La structure est réalisée en fil d'acier, design léger mais au caractère solide. Assise et dossier en polypropylène estampé par injection avec traitement anti UV, garanti pour toujours ses couleurs vivaces. Les accessoires qui la complètent, et la possibilité d'ajouter des panneaux tapissés la rendent encore plus fonctionnelles et captivantes.

Stühle, Hocker und Bänke in vielfältigen Formen und Farben. Das Untergestell ist in Stahldraht mit leichtem aber stabilem Design ausgeführt. Sitzfläche und Rückenlehne bestehen aus Polypropylen mit Anti-UV-Strahlen-Behandlung; so wird sichergestellt, dass die Farben lebendig bleiben. Das verfügbare Zubehör sowie die Möglichkeit, mit gepolsterten Bezügen zu ergänzen, erlauben noch mehr Funktionalität und Attraktivität.
